Information

CEO Arrington Gavin finished out the month of November featured on one of his very favorite lifestyle TV Shows. WTKR3 Coast Live TV, with host April Woodard, and co-host Chandler Nunnally helped to push the narrative of "No Shave November." Men across the globe were encouraged to grow their facial hair (wild and free) using the money typically spent to bring awareness to men's cancer prevention. Putting the razor away for a month generates conversation, subsequently highlighting men's health!

"TIS THE SEASON TO BE RUGGED"

Wowzers! Check out our Holiday Steal for only \$50 dollars. This wonderful package includes conditioning shampoo, beard balm, oil, and leave in moisturizer. Guess what?
