Wowzers! April has shown up epically on point for CEO Arrington Gavin. **HM Magazine's** sponsored event, **Texture Unplugged** was a tremendous success. This two-day educational event proved to be informative for anyone in the hair care industry. We as an audience learned Rugged Evolution Beard Care products can be used by women. Healthy shampoos and beard oils for the scalp are unisex products. Arrington gave a highly informative 45-minute tutorial on the dos and don'ts of healthy beard maintenance. With the presentation assistance of Johnathan and Dre, he answered the industry questions with confidence, and ease. News reporter Leondra Head captured a great interview for WTKR3. Success can be measured by how well an entrepreneur interacts with his industry peers. LA based celebrity hair stylist and business owner Lawerence Ray Parker and Arrington were spotted chatting it up near the main stage. Congratulations team Rugged Evolution Beard Care.
